

Phase 5 Cycle Hangars

Statutory Consultation

10 December 2021 – 7 January 2022

Dear Resident

The purpose of this letter is to advise you of the Council's intention to carry out statutory consultation to install cycle hangars in Lambeth.

What?

A cycle hangar is cylindrical-like container with a gas sprung locking door to ensure quiet operation. Inside, it has metal bike hoops to which one can lock a bike. Each hangar has the capacity to hold six bikes and takes up less space than a single car. Annual memberships cost £42 per space and are available to apply for via the Cyclehoop website www.cyclehoop.rentals.

Why?

Cycling is an important travel option for residents and contributes positively to making the borough cleaner and greener. Cycling also helps to deliver on the council's wider objectives to reduce congestion, air and noise pollution and carbon emissions.

Demand for additional bike storage is extremely high in Lambeth, with over 5,500 individual applicants on the waitlist for existing cycle hangar spaces. In addition, large areas of residential roads in Lambeth are currently allocated to the parking of private motor vehicles and so it is important that we also provide parking for residents who wish to cycle and may be unable to store their bicycles at home.

When?

The consultation runs from 10/12/2021 – 07/01/2022. We expect installations to begin by the end of March 2022.

Where?

Please see overleaf for a list of locations. Copies of the maps are available online at www.lambeth.gov.uk/cycleparking. If you have any enquiries, please telephone Lambeth Council's Active Travel Team on 020 7926 8818 or email: cycleparking@lambeth.gov.uk

How can I give my views?

A Notice of the Council's intentions to introduce these measures will be published in a local newspaper (South London Press), the London Gazette and posted on lamp columns in the area.

All objections and other representations relating to the proposed Orders must be made in writing and all objections must specify the grounds on which they are made and should be sent to Barbara Poulter, Parking and Enforcement Group (Resident Services), London Borough of Lambeth, PO Box 734, Winchester, SO23 5DG (emails sent to jade@smartransport.co.uk are acceptable) by **7th January 2022**.

All representations along with Officers' comments and recommendations will be presented in a final report to be considered by the Council. The Council is required to give weight to the nature and content of your representations and not necessarily the quantity. Your reasons are therefore important to us.

A copy of each of the Orders and other documents giving detailed particulars about them (including maps) are available for inspection online at www.lambeth.gov.uk/traffic-management-orders and by appointment at the offices of Lambeth Council's Parking and Enforcement Group (Resident Services), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG, between 9.30am and 4.30pm on Mondays to Fridays inclusive (except on bank/public holidays). A copy of the Orders and related documents are also available on request, by email to Trafficorders@lambeth.gov.uk or by telephoning 020 7926 0209 to arrange an inspection.

Road	Ward	Post Code	Hangar Location
Allardyce Street	Ferndale	SW4 7RX	side of No. 45 Santley Street
Andalus Road	Larkhall	SW9 9PF	outside No. 30
